

United States Bankruptcy Court, Northern District of Indiana
Standing Committee on Practice and Procedures

Purpose: The Bankruptcy Court for the Northern District of Indiana established a Standing Committee on Practice and Procedures in July 1999. The purpose of this Committee is to promote communication about Court practices and procedures and to serve as a vehicle to share ideas and assist the Court and bar in creating a more efficient practice. Further, the Committee serves as the Court's local rules committee comprised of representatives of the state bar association, local bar associations, chapter 7 and chapter 13 trustees, federal agencies, and court administrative staff. The Committee holds regular meetings and welcomes comments and suggestions.
